

A man with dark hair, wearing a dark suit jacket over a white shirt, is smiling and standing in front of a dense city skyline. The skyline includes several tall skyscrapers, with the Empire State Building being prominent in the background. The image is in black and white, except for the man's face and shirt which are in color.

[Premium] The Long and Short of It

MARCH 11, 2019 BY [TOM BRUNI \(EDIT\)](#)

Last week we wrote about [signs of a long-term bottom in stocks](#) emerging and the market has continued higher since then. Today we want to look the individual sectors to identify where we want to be selling strength, buying weakness, and avoiding altogether.

We've also written a post about the individual stocks with the [best reward/risk proposition right now](#), so be sure to check that out as well.

[Premium] Best Individual Reward/Risk Setups

MARCH 11, 2019 BY [TOM BRUNI](#) (EDIT)

In our other post we [looked at all the sectors to identify our stance toward each and equities as an asset class](#), so this post will focus on the best individual stock trade setups in the market right now. If you haven't read that, please read that first so you have some context around this post.
